

Classique Custom Homes

376 Glacier Cliff Drive

\$4,650,000

Perched atop a cliff overlooking one of the Glacier Club's 27 premier golf holes this magnificent mountain home is both elegant and casual living at its finest. A true gem amongst Durango's most scenic settings, it offers 6800+/- sf. of pure custom finishes.

As with any Classique Custom Homes project, quality and craftsmanship are paramount whether it is a remodel, commercial site or multi-million dollar home.

Two master suites on the main level offer a plethora of custom finishes and delights, as does the entire home. An indoor "endless pool", an outdoor shower, wine cellar, and "gathering room" wet bar are just a few of the unique features.
