Custom Touch Builders

195 Clear Creek Loop

\$679,000

This 2320 square foot home is ideally set around a ponderosa forest with ridgeline views. The home is designed with the latest in design efficiency and in-home technology. It features three bedrooms and two baths. The large open gourmet kitchen, ready for entertaining, overlooks a very cozy great room with a lodge feel.

Our “custom touch” trademark shows in every room, paying attention to every detail. Custom Touch Builders makes a statement of intelligent craftsmanship, enhanced by an appreciation for superb quality and enduring style.
