

254 Sheol Street

This luxurious three story home cantilevered over a cliff-side is just one exquisite example of the Mountain Mining architectural style offered by Kogan Builders, Inc. Spectacular views of the Needles Mountain range can be enjoyed from the three different decks of this 4,400 square foot, 4 bedroom, 4 bath home. This home boasts exceptional interior stone work, high-end finishes, hand-crafted iron work, custom gourmet kitchen, elevator, and interior waterfall. We welcome you to come and preview the first class quality and detail that is to be expected from Durango's premier custom home design/builder.
