

339 Scotch Creek Road

\$3,999,999

Just under 8,000 square feet on three levels gives the feeling of a mountain lodge overlooking incredible lake and mountain views. The home has room for lots of friends and family gatherings with its 5 bedrooms, 6 bathrooms, enormous rec room, wet bar, T.V. room and outdoor patio with barbeque.

The home has 3 entertainment centers, 2 laundry rooms, loft office, 4 gas fireplaces, with a sand stone hearth in the commanding great room. A well appointed master bedroom with his and hers closets and a gas fireplace next to the tub.
