

578 Falcon Ridge Road

\$2,595,000

Rustic meets contemporary in this 4,600+/- square foot, estate surrounded by Natural Forest with spectacular views of the Needles Mountains. Steel and stone trim the home as you enter through a stately hand carved front door.

The kitchen features coiffured ceilings of recycled barn wood, hand tooled fir cabinets a hammered copper sink, a cozy breakfast nook and an enormous granite topped island.

The home has 5 bedrooms, 5 baths, 3 fire places, a well appointed master bed and bath. Custom iron railing surrounds the balcony and extends living space into nature, complete with a wood burning fire place for those cool fresh evenings, tinged with fragrance and light that only alpine living can offer.
