Lightner Creek Village is Durango's premier townhome and condominium project. As the only new neighborhood offering a creekside location, sidewalks to downtown, and the sanctuary of parks and trees, Lightner Creek Village is the new place to live. Exciting features of this neighborhood include the proximity to downtown, abundance of landscaping, ample parking, and excellent finishes. Thoughtfully designed floorplans allow for maximum useable square footage, while the granite tiles, alder and cherry cabinetry, and stainless steel appliances offer you luxury living at a wonderful price.

Townhomes Available from \$359,000

Condominiums with the same great finishes from \$139,000
