FEATURES

- True "Lifestyle" Home Electronics Showroom
- Remote Control "Learning Center"
- Full Swing Golf Simulator
- "Invisible" Speaker Systems
- "Custom" Finishes Throughout

DreamWeaver Designs, LLC new "Lifestyle" showroom displays audio, video, lighting and control systems in a real world environment. We have teamed up with some of the area's finest artisans and feature Sky Art by Karen Kristin, "Invisible" speakers, the region's only Full Swing Golf simulator that doubles as a Home Theater, and much more. Top of the line finishes and "edge of the art" installations are a **must see**.

"We have been very privileged to be included on the design/build team for many fabulous homes across the country. This exposure to that level of project, I believe, helps us understand and contribute in a way that is uncommon."

"We truly enjoy creating harmony between technology and environment!"

DreamWeaver Designs, LLC proudly offers only the finest products available and consistently works to exceed any expectation.

Not For Sale • Approximately 1,500 sq ft
