This year, the Parade of Homes has teamed up with BuzzTown.com, an online directory and social-networking site, to create an online, interactive extension of the event. Through BuzzTown.com, you can go online to learn about this year's Parade of Homes, get a sneak preview of the homes in the Parade, meet and interact with the builders and subcontractors, enjoy photo galleries and watch behind-the-scenes videos of how the homes were built. You can also get maps to the homes, write reviews and much more.

So come see us at Stop #1 and we'll show you how to access all this insider information. We'll also enter you to win a Flip Mino – a small handheld video camera so you can create your own web videos!

Speaking of prizes, at Stop #1, we'll be under the white tent giving away Goodie Bags filled with fun gifts and beneficial information about those involved with the 2009 Durango Area Parade of Homes. You'll also want to make sure to get the required stamps at every stop to be eligible for the Parade of Homes grand prizes – a custom built wall bed from Closets Plus or a therapeutic hot tub from Smart Enterprises. We look forward to meeting you!

Register at stop number one to win the Flip Mino video camera donated by our Platinum Sponsor BuzzTown.com. The Parade of Homes will be giving away a hot tub from Smart Enterprises and a wall bed from Closets Plus. You must visit every stop to be eligible to vote for your favorite homes. We will draw grand prize winners from the ballots.
