- Energy Star® Certified
- 1.8 kw solar systems made possible by Four Corners Solar
- Beautiful views of wetlands
- Built by the hard work and dedication of volunteers
- Located in Fox Farm Village, an affordable housing development

Habitat for Humanity of La Plata County has built 30 homes since 1995. We work with families earning between 30%-60% of the area median income. Approved families “partner” with us by performing a minimum of 350 sweat equity hours. We provide 30-year, no interest mortgages. Partner families BUY their homes. Habitat provides “a hand up, not a hand out.”

This year, the homes will incorporate 1.8 kw solar systems and be Energy Star® Certified. Energy produced by the photovoltaic system will offset or eliminate the families’ electric bills. This incredible gift was made possible by Four Corners Solar.

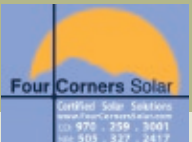

Shop the Habitat Home Supply ReStore for building supplies, home furnishings and appliances. Located at 3001 North Main Avenue, Durango. The ReStore is open 6 days a week and accepts your gently used donations. Call 382.9931 for more information.

Volunteer!! People of all ages and abilities are invited to explore the many volunteer opportunities that help build affordable homes. Contact Jen at 382.2215 or online at www.habitatdurango.org.

Pictures: Partner families who will be moving into the Habitat homes built!

Left: Madison and Kyla Elise. **Right:** Michelle and Jackson Uhl.

Directions: Head east on US Highway 160, towards Bayfield. Turn right on County Road 521 (Traffic Light by the Conoco Gas Station). Turn right at the stop sign followed by a left onto Buck Highway (County Road 521). Turn left at Mars Drive (first stop sign), then turn left at Fox Farm Circle. The home will be on your left.
